

Beer Hotplates

Keeping warm in style

Compact and classy

With their sleek black presentation surface and compact dimensions, Beer hotplates are the ideal solution for keeping food and beverages warm. The glass surface is easy to clean, and the rugged stainless steel housing makes the hotplates perfect for buffet, sales counter and catering use.

Flexibility

The surface temperature can be set continuously from 30 to 90° C. The uniform heat delivery across the entire glass surface keeps your food and beverages at their best.

Further advantages of the Beer hotplates

- ❑ Stylish, easy to clean black glass presentation surface
- ❑ Rugged stainless AISI 304 steel housing with integrated glass-edge protection
- ❑ Continuous surface temperature setting from 30° to 90° C
- ❑ Guaranteed uniform heat delivery
- ❑ Energy efficient innovative heating technology
- ❑ Compact dimensions, only 45mm high
- ❑ Cable connection on the bottom side
- ❑ Modular design enables the combination of several units side by side
- ❑ Ideal for buffets, sales counters and party service
- ❑ Available in GN 1/1, GN 2/1 and GN 3/1 formats
- ❑ Also available as build-in unit

Beer Hotplates

Specifications table top models

Model	Image	Item	Dimensions * (WxDxH in mm)	Active surface (WxD)	Heating zones	Power	Voltage	Weight	Plug
GN 1/1 lengthways		299301	332 x 539 x 45 mm	0.17 m ²	1	340 W	230 V	6.0 kg	Typ 12 Schuko
GN 2/1 lengthways		299302	657 x 539 x 45 mm	0.34 m ²	2	680 W	230 V	12.0 kg	Typ 12 Schuko
GN 3/1 lengthways		299303	982 x 539 x 45 mm	0.51 m ²	3	1020 W	230 V	18.0 kg	Typ 12 Schuko
GN 1/1		299321	539 x 332 x 45 mm	0.17 m ²	1	340 W	230 V	6.0 kg	Typ 12 Schuko
GN 2/1		299322	539 x 657 x 45 mm	0.34 m ²	2	680 W	230 V	12.0 kg	Typ 12 Schuko
GN 3/1		299323	539 x 982 x 45 mm	0.51 m ²	3	1020 W	230 V	18.0 kg	Typ 12 Schuko
