

## BEER Cold Rack

New with  
refrigerant  
R290a

# Refrigerated Self-Service Shelf in Classy Beer Design

### Classy and Sales-Enhancing: Beer's New Cold Rack

With their new Cold Rack, Beer offer an ideal professional solution for enhancing impulsive food purchases. Height-adjustable and inclinable shelves guarantee maximum flexibility for presenting various products.

With its classy high-quality workmanship the Cold Rack can be integrated into any sales concept. The self-service shelf in plug-in configuration is ready to use, and due to its slim base, it can be set up almost anywhere. As you expect from Beer Grill, the food on every level is appetizingly illuminated by high-performance LED lighting.

The Beer Cold Rack is available in the width GN 2/1 on casters. In combination with the Beer Hot Rack for warm products, the self-service shelves make a sales concept with uniform design possible.

### Some features:

- ❑ Multi-shelf presentation for refrigerated packaged food in self-service
- ❑ Temperature range +4 °C / +12 °C
- ❑ 5 levels
- ❑ 4 shelves height-adjustable and inclinable (+/- 50 mm, horizontal or tilted by 6°) with price tag holders
