QUADRO COLD

Cool innovation for your enjoyment

The ultimate solution for your chilled delicacies

This compact food showcase is not only an eye-catcher but also extremely versatile. Whether it's tempting pastries, delicious breakfast items, enticing desserts – the Quadro Cold offers the perfect presentation platform for your culinary creations.

Thanks to its slim and compact design, it effortlessly fits into any gastronomic environment without compromising on product presentation.

Variety and enjoyment on the plates

This food dispensing showcase also ensures maximum durability and optimal product quality. With gentle air curtain cooling through the innovative air circulation ventilation system, the temperature remains constant between +2 °C and +8 °C. This keeps your products fresh, appetising, and perfectly chilled.

Another advantage of the Quadro Cold is its flexible integration into your daily concept. Whether you want to offer snacks, salads, or other chilled products – this showcase is the ideal solution. You can adjust your offerings at any time and provide your customers with a diverse selection.
