BEER⁺

VARIO HOT SPOT

Keeps your food nice and hot

Impressive performance

This stylish Vario Hot Spot is the latest addition to the BEER product range. Handmade in Villmergen, the lamp has all the hallmarks of Swiss quality.

Its attractive retro look comes in electropolished, black and, on request, in any RAL colour.

With 300 watts, the lamp Vario Hot Spot is extremely powerful and thus guarantees effective keeping your food warm. Thanks to the integrated dimmer, the temperature can be adjusted in a range from 1 to 5, ensuring perfect heating performance for each product. As you are used to from Beer Grill, the lamps are equipped with a splinter protection. This also applies to the new Vario Hot Spot.

The solid spiral cable ensures that the lamp is always in the right position.

Your benefits

- ❑ Height-adjustable extension (max. length 1.45 m)
